z-construction matting

exported worldwide

Established in 1995, Ultimate Industries Limited is a principal manufacturer of looped coil mats, dust-control mats, chromojet printed logomats, carpets and rugs, and premium aluminium-strip inlay matting for varied interior and exterior applications.

Backed with a strong national network and a large reseller base internationally, Ultimate's diversified operations are seamlessly integrated right from manufacturing of its products to organized retail to providing high-quality end-customer service.

Ultimate exports its products worldwide and is a Government of India accredited Star Export House

Our high business ethics, reliability of our products and services, and respect for people have contributed towards building our good corporate image in the industry. We aim for the sky.

Contents

Ultimat

Vinyl looped coil matting with or without backing in a choice of 7 styles to suit every outdoor application.

Ribmat

Vinyl backed mats with ribs for effective dirt-removal.

ZigZag

An ideal first-stage barrier-matting. Open Z-web structure unbacked vinyl mat for scraping high amounts of soil.

Cottone

Non-slip cotton bath mats with nitrile backing support. Fully machine-washable.

Senator

Tufted polypropylene cut-pile dust-control mats with vinyl backing.

Grass

Polypropylene grass matting with or without vinyl backing.

President

Tufted polypropylene loop-pile dust-control mats with vinyl backing combining both looks and functionality. Choice of two styles - linear and cross.

Mogul

Tough dual-action scraper and absorber commercial dust-control mats with the extra punch! Loop-pile stiff and soft dual pp yarn carpet with vinyl backing.

Focus

Chromojet printed polyamide cut-pile carpet mats with vinyl backing. Choose from our home, child or educational prints, or order your own designs.

Vagabond

Loop-pile polyamide carpet mats in chromojet-printed designs with vinyl backing . Recommended for residential applications.

Magnate

Chromojet-printed loop-pile polyamide carpet mats with nitrile rubber backing. An enduring entrance mat in aesthetic designs for residential/commercial use with machine-washability.

Tycoon

Our designer collection of digitally printed polyamide carpet mats and rugs on high-twist polyamide carpet with 100% nitrile rubber backing.

Enchant

Polyamide carpet matting with stiff monofilament scrapers and cleated nitrile rubber backing. Suited for heavy-commercial use and as rental mats.

Viking

White polyamide carpet mat blanks for chromojet logomat printing application in a choice of various polyamide carpet and nitrile rubber/vinyl backing options.

Professional

Premium quality aluminium grate matting in a choice of 4 types of modular infills.

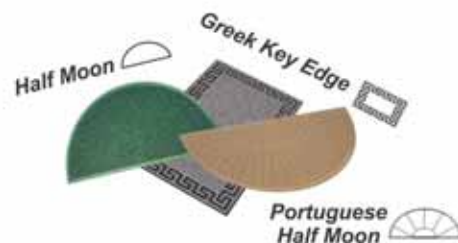

Ace

Prestige aluminium strip mat with extra wide clean-off-zone infills. Unleash your imagination, and create your own mat using any combination of our above products as infills.

Professional

Premium quality aluminium grate matting in a choice of 4 types of infills.

4-way Entrance Matting System

Introducing Ultimat Professional - a revolutionary 4-way entrance-matting system. Designed on a modular concept, various mat elements - each having a specific function, are inlaid to connected aluminium grates. Together as a matting team, these elements become a complete line of defence against mud, moisture, dirt and debris.

- Element 1 - "Scrubber" Aluminium Ribs
- Element 2 - "Scraper" Nylon Brushes
- Element 3 - "Wiper" Stiff Nylon Carpet
- Element 4 - "Absorber" Soft Nylon Carpet

Features

- Suited for all heavy traffic areas
- Fully customizable to fit exact entrance size
- Mats roll-back and are easy to remove
- 100% washable; easy to clean and maintain
- Reduces interior maintenance costs
- Use in recessed matwell areas or over plain floors
- Disabled-friendly; complies with ADA standards
- Elegant and professional looks
- Both exterior and interior application
- Mat element inserts can be replaced easily

Application

Entrances of malls, airports, hospitals, offices, residential blocks, multiplexes, convention centres, stadia, and all other commercial establishments.

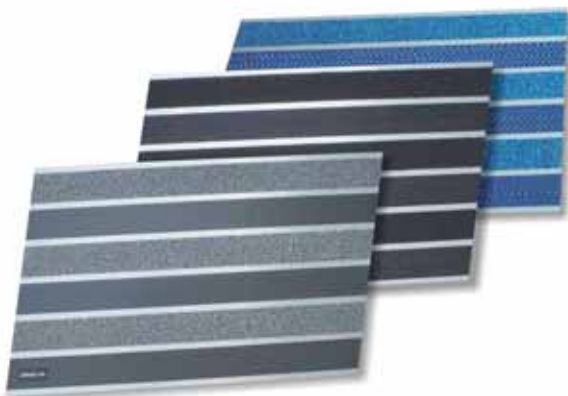

Technical Specifications

Element	Material	Section
Scrubber	Ribbed Aluminium Grade 6063 T6	 10mm
Scraper	PA6.6 Brush bristles set on PP strip	 14mm
Wiper	PA6.0 Heat-set frieze yarn with tough monofilament fibre tufted carpet with prime vinyl backing	 10mm
Absorber	PA6.0 Heat-set frieze yarn tufted carpet with prime vinyl backing	 10mm

Ace

Aluminium strip mat with extra wide clean-off-zone infills

Ace is a prestige aluminium mat with extra-wide intense wear infills set in an ultra-low 10mm design. Dirt is trapped in specially corrugated rails. Mats are custom-made to client's specifications, including the choice of infill mat elements in any combination, size and color. Ace is suited for all entrances where presentation, durability and functionality are of high importance.

Features

- Suited for all heavy traffic areas
- Fully customizable to fit exact entrance size
- 100% washable; easy to clean and maintain
- Reduces interior maintenance costs
- Use in recessed matwell areas or over plain floors
- Disabled-friendly; complies with ADA standards
- Elegant and professional looks
- Anti-slip rubber feet
- Both exterior and interior application
- Mat element inserts can be replaced easily
- Digitally-printed logowork possible on carpet elements

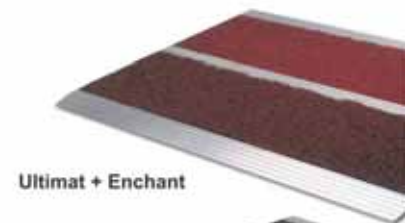

Application

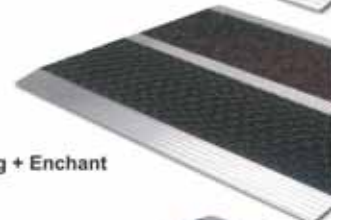

Entrances of malls, airports, hospitals, offices, residential blocks, multiplexes, convention centres, stadia, and all other commercial establishments.
